President's Message...

Dear Fellow Trapshooters,

On behalf of the Officers and Directors of the Ohio State Trapshooting Association, I welcome you to our 136th Annual Ohio State Trapshooting Championship. In partnership with the Cardinal Shooting Center, we are working hard to bring you the best that trapshooting has to offer.

I would personally like to thank Daniel Schwartz, Jake Spengler, Luke Spengler, and the entire staff of Cardinal Shooting Center, for making the O.S.T.A. home grounds one of the greatest shooting facilities in the country.

We will continue the long tradition of generating funds for our Foundation with fundraisers that support our youth programs, our Hall of Fame, and scholarships. We will again be offering tickets for the E-Z-GO golf cart and trailer as well as our daily 50/50 drawings. This year, we have added a zero turn Bobcat mower. Our charity this year is the Blue Star Mothers -Akron Canton Chapter. Consider our Monday Fun Shoot "Miss and Out" and "50-Bird Shootout" that support this deserving charity.

As a final note, I always suggest that you remember to take a kid trapshooting. Best of luck and good health. May God Bless.

Break em' all!

For purposes of special category declaration, ***the time of entry is when you are classified.***

Husband/Wife, Parent/Child or Grandparent/Grandchild, and Directors' Cup participants must register at the O.S.T.A. Hall of Fame Museum for Saturday's Singles Championship **by 10:00 am Saturday**. Attention Singles and Doubles Zone Team Members & Alternates: No sign-in is required or reporting to the CEB. Your scores will automatically be pulled from the computer as needed.

Anyone in a tie who leaves the grounds or does not answer a call will forfeit his/her rights to shoot off. In the event that shooters are called for a shoot-off and then the shoot-off cannot be concluded (ex. time limitations, weather conditions), only those shooters who have checked in will be eligible for trophies. For any shoot-off that is not concluded, winners will be determined by long run from front, and ties will be determined by a coin flip performed by a tournament official.

C. **CATEGORY SHOOTERS:** At all tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule.
Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

All Lady I, Lady II, Sub-Veteran, Veteran, Sr. Veteran, Junior Gold, Junior, Sub-Junior must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule. **Failure to declare your classification does not constitute an A.T.A. classification error. Please check your classification receipt before leaving the classification desk.**

The candidate must be an Ohio native or have spent the majority of his or her shooting career in the State of Ohio, or made a major contribution to the sport of trapshooting while a resident of Ohio. 2022 HALL OF FAME INDUCTEES

TODD LOAR
Burton, Ohio
Singles 16,975 ~ Handicap 9,125 ~ Doubles 10,900

Like many trapshooters, Todd took up trapshooting after hunting with his father. His father was left- handed so Todd mimicked his dad and shot left-handed even though he was right eye dominant. Eventually, it was Lester Handwork, an insurance agent, who took Todd to a trap shoot and got him hooked on the competition. Eventually Todd was nicknamed "Pow Pow" by many of his friends when he started shooting a pull release. When he was in the Army, his proficiency with the rifle got him the nickname "Slick". Todd qualified as a rifle shooter for the Olympic final try outs but was unable to afford the expensive trip without a sponsor. Todd won the Ohio State Shoot Singles Championship three times and hoped to win it one more time in 2013. However, it was not to be as his illness caused his passing late that summer. As far back as 1989, Todd had the dream of making it into the Ohio Hall of Fame. His wife, Phyllis, also known as "Coach", says he was a perfectionist with a goal to always win.

2022 HALL OF FAME INDUCTEES

JOE CHARNIGO
Lodi, Ohio
Singles 66,100 ~ Handicap 66,600 ~ Doubles 47,650

Joe was introduced to clay target shooting when he was 7 years old and by age 11 he had joined the ATA to begin his shooting career. He has accomplished many of the goals he has set throughout his career thus far, including two of his biggest accomplishments: winning the 2015 Grand American Doubles Championship and the 2019 Grand American Clay Target Championship. He continues to have high expectations for himself at each and every competition. As a young shooter, he was very appreciative to have gained life-long role models and mentors such as Aden & Sue Kaufman, Pat McCarthy, and Bob & Mary Thompson to guide him not only through the sport, but through life as well. One of his biggest enjoyments of the sport is being able to return the favor by filling that mentor role to young shooters getting started. Approaching a quarter of a century in the sport, Joe is known by shooters all over the country. The comradery and friendships he has made through this sport have been the most important part of all.

STEVE STEDMAN
East Palestine, Ohio
Singles 149,200 ~ Handicap 153,000 ~ Doubles 65,600

Steve liked to hunt grouse in the mountains of Pennsylvania with his Browning over and under. He decided to go to a local club and check out trapshooting. On his first round, he missed the very first target out. However, he scored 24 and was hooked. With his same hunting gun, and a shooting buddy named Rich Long, Steve began trapshooting regularly. In 1988, he found a place at the 27 yard-line and has been there ever since. He moved to Ohio in 1990 and found trapshooting events to be readily available. It took him three more years to finally break his first 200 straight in Singles. He immediately followed with another three 200 straights, making it four in a row back to back. Steve is proud to have won the Preliminary Handicap at the 2008 Grand American. Although he has many wonderful memories of trapshooting, one of his best, is achieving the Grand Slam in 2013.
