

OSTA Champion of Champions Program for 2012 Ohio State Shoot
Effective 7/16/11
Updated 8/29/11

The Champion of Champions program is designed to help the smaller clubs get more shooters to participate in ATA registered events.

Each club that is authorized to hold ATA registered events in the state of Ohio can participate. Each club has the option to hold a Champion of Champions qualifier event. The event must be so noted when making application to hold the shoot. Application for a Champion of Champions initial qualifier must be made 14 calendar days prior to the scheduled event date with the OSTA secretary. Application for a Champion of Champions rescheduled qualifier must be made 7 calendar days prior to the scheduled event date with the OSTA secretary.

Event qualifiers will be held on 100 target programs for singles, doubles, and handicap. The high score **and runner-up** for each event along with the high score by category for Jr./Sub Jr., Lady, Veteran and Senior Veteran will qualify for the Champion of Champions award at the Ohio State shoot. Multiple categories if applicable may be declared at qualifying events.

Event winners must have qualifying club name, event, shooter name, ATA number and the type of qualification (champion, **runner-up**, jr./sub jr., lady, veteran, senior veteran) identified on the shoot report and submitted to the OSTA secretary.

A minimum of 3 shooters per event is required for the event to be considered a valid qualifier. Multiple qualifiers can be hosted in order to complete the requirements for singles, doubles, and handicap.

At the Ohio State shoot all qualifiers will have their scores recorded for the singles class championship (shot on 6/21/12), doubles class championship (shot on 6/22/12), and the presidents handicap championship (shot on 6/21/12). Shooters who qualify as a champion **or runner-up** may not fall back to category if they have not qualified for said category. Ties for champion and category will be determined by sub event from first to last. If still tied, a high card draw will determine the winner.

Shooters may qualify at different clubs for the same or different event/category. Shooters do not need to be a resident of Ohio to participate in this program. The Champion of Champions qualifier must not be held in conjunction with the Club Team Challenge program. Each of these programs is separate and distinct and must be held on different dates.

Any questions about the program should be directed to the Secretary of the OSTA who in turn will document your question and forward to the appropriate OSTA director for a response.
