

Fellow Ohio Trapshooters,

On behalf of the OSTA Board, I am pleased to welcome you to our 2018 Ohio Zone Shoot. Our Directors and staff strive to make this shoot the best experience it can be for you. We wish each of you good luck in qualifying for the Zone Singles and Doubles Teams, and in winning one of the trophies in the Handicap.

As trapshooters here in Ohio we are blessed in many ways. We are blessed to have a rich history and tradition of trapshooting in our state, with many small and mid-sized gun clubs offering many registered programs throughout the year. These clubs are led by highly-dedicated individuals who give of their time, talents, and energy to help our sport thrive. Please support them as much as possible.

We are blessed to have a very strong Ohio State Trapshooting Foundation dedicated to our youth shooters and youth programs. Last year at each Zone Shoot site, we instituted a 50/50 raffle to benefit the Foundation in support of our Hall of Fame, as well as our college scholarship program. Please consider supporting this fundraising endeavor again this year.

We also have a strong SCTP Program which is growing each year and introducing more and more young people to our sport. Through this program, young people not only develop a skill, they learn about competition, accepting responsibility, sportsmanship, and teamwork, as well as respect for their coaches and, hopefully, appreciation for their parents who help make their participation possible. Encourage young people you come in contact with to give our sport a try, and always remember to thank the coaches who make it possible.

So again, I wish each of you success both at this shoot and throughout the shooting year. But remember, it's the people you meet, the experiences you share, the lifelong friendships developed, and the enjoyment of competition, that are the most meaningful aspects of the sport we love and share. Good Luck!
