

## **2018 OSTA Champion of Champions Program**

The Champion of Champions program is designed to help the smaller clubs get more shooters to participate in ATA registered events.

Each club that is authorized to hold ATA registered events in the state of Ohio can participate. Each club has the option to hold a Champion of Champions qualifier event. The event must be so noted when making application to hold the shoot. Application for a Champion of Champions initial qualifier must be made **14 calendar days prior** to the scheduled event date with the OSTA secretary. **You will receive a confirmation letter with your dates listed and the necessary forms for reporting the results of the shoot.** You must complete and sign the forms that are provided- handwritten substitutes will not be accepted. Application for a Champion of Champions rescheduled qualifier must be made 7 calendar days prior to the scheduled event date with the OSTA secretary.

Event qualifiers will be held on 100 target programs for singles, doubles, and handicap. **The high score and runner-up for each event along with the high score and runner-up by category** for Junior, Sub Jr., Lady, Veteran and Senior Veteran will qualify for the Champion of Champions award at the Ohio State shoot. A shooter may qualify for a different category, including the Event High or Runner-Up category, at different qualifying shoots. For example, if a category shooter breaks a score that would qualify him/her for Event High or Runner-Up, the shooter has the option of electing to be placed in the Event High and Runner-Up category, **or** in his/her designated category. Likewise, a shooter who has previously qualified as a Lady, for example, could at a subsequent shoot qualify as a Junior, if applicable. In all cases, it is the qualifying shooter's responsibility to inform the gun club which category he/she chooses to be placed in; otherwise, club management will use its discretion in placing the qualifying shooter in a category.

The gun club must have the qualifying club name, event, shooter name, ATA number and the type of qualification (Champion, Runner-up, Jr., Sub Jr., Lady, Veteran, Senior Veteran and Runner-ups for all categories) identified on the shoot report and submitted to the OSTA secretary (incomplete reports will not be accepted) A minimum of 3 shooters per event is required for the event to be considered a valid qualifier. Multiple qualifiers can be hosted in order to complete the requirements for singles, doubles, and handicap.

At the Ohio State shoot all qualifiers will have their scores recorded for the singles, handicap, and doubles from **Thursday's events (June 21nd, 2018)**. Shooters who qualify as a champion or runner-up may not fall back to category if they have not qualified for said category. Ties for champion and category will be determined by sub event from first to last. If still tied, a high card draw will determine the winner.

Shooters may qualify at different clubs for the same or different event/category. Shooters **do not** need to be a resident of Ohio to participate in this program.

Any questions about the program should be directed to the Secretary of the OSTA who in turn will document your question and forward to the appropriate OSTA director for a response.
