President's Message...

Dear Fellow Shooters,

I'D LIKE TO WELCOME everyone to the 138th Ohio State Shoot. I am honored to be your 2024 O.S.T.A President. This organization is very important to me, and I will strive to do everything I can to make it succeed. It is my goal that the Ohio State Shoot return to the top, as it has been for a major part of the history of the sport. Being involved with this sport since I was nine years old and going through the SCTP program, I have learned the time and effort this sport demands from the shooters, the coaches, the scorekeepers, the club managers, and the parents and spouses. This sport is a major part of thousands of people's lives. As I got older, I quickly realized the importance of this organization and the fortitude board members go through each and every year to ensure the success of this organization and to put on an amazing state tournament. I encourage everyone to get to know their zone director and form a working relationship with them... sharing your ideas and suggestions to further the success of the sport in the state of Ohio.

As an organization we face many challenges every year. With the current state of our sport and with price increases happening, we do our best to take into consideration all perspectives and adjust accordingly. Every year brings new light and ideas to the table and with all the support... and the board united as one, I hope you'll see great improvements not only at the Ohio State Shoot, but at your local clubs as well. I'd like to offer everyone my personal assistance in any matter you may have and feel free to e-mail me at any time. You can access my e-mail along with all the other board members, on ohiotrap.com. I'm proud to serve on this board as your President. If you asked me fifteen years ago if I would someday be the President of the state organization of the sport that has had the biggest impact on my life, I would have probably asked you what that meant as a nine-year-old. But here today, this is a monumental honor for me, and I hope to leave this organization in a better place and set the way for future generations to experience this extraordinary sport that has changed my life forever.

Sincerely,

Austin Jacob

Any Ohio Resident who is a member of the Amateur Trapshooting Association may submit the name of an individual for consideration by the Hall of Fame Committee. The submission must be in writing along with a resume of qualifications for the individual. (Resumes/application forms are available on our website, ohiotrap.com). The submission must be to the Chairman of the Hall of Fame Committee, c/o OSTA Secretary, Noreen Snively, P.O. Box 956, Ravenna, OH 44266. An inductee may be selected for one or both of the following reasons. The ability of the inductee in the sport of trapshooting and/or the contribution of the inductee to the sport of trapshooting. The candidate must be an Ohio native or have spent the majority of his or her shooting career in the State of Ohio, or made a major contribution to the sport of trapshooting while a resident of Ohio. For 2024 consideration, new (and updated) resumes must be received by November 1, 2024.

2024 HALL OF FAME INDUCTEES

PAT OWENS

West Milton, Ohio

Singles 94,150 – Handicap 142,850 – Doubles 71,550

PAT BEGAN his trapshooting career in the early 1970's and became a life member of the A.T.A. in 1975. He made annual trips to Vandalia for the Ohio State Shoot and would return in August for the Grand American. Pat became a "fixture" at Vandalia for years as a trap mechanic and a shooter. If a vendor needed something, Pat always knew where to find it. While working as a trap mechanic, he met a scorekeeper named Helen, and married her on Halloween in 1981.

One of his favorite places to shoot registered targets was Jaqua's Gun Club. There he met and became acquainted with many trapshooters over the years. One of his most memorable accomplishments was the "perfect squad" at Jaqua's. He was squadded with Bill Jaqua, Willie Anderson, Jim Forsbach and Merle Decker. On the first 100 targets of the 200-target event, the squad broke 495 x 500. On their second 100 targets, they broke all 500! With the 2024 induction of Pat into the Ohio Trapshooting Hall of Fame, all five of those gentlemen are now inductees.

Although his accomplishments as a trapshooter are many, one needs to look past the scores and trophies. He was an avid promoter of the sport and worked to develop relationships with the shooters- old and young. When illness made him a spectator instead of a participant, he continued to share his knowledge and never hesitated to offer encouragement and guidance.

NOREEN SNIVELY

Ravenna, Ohio

Singles 56,900 – Handicap 49,050 – Doubles 4,900

Noreen has always felt like trapshooting was her destiny. As a teenager, several of her male friends were trapshooters and wanted her to try the sport. It finally happened when she was dating a trap boy and stopped at the Firestone Gun Club in Akron, Ohio where he was working. As she watched a squad on the line, it looked like so much fun and she just knew she could do it! She asked Bob Smith from the Copley Gun Club if he would take her trapshooting and he was very willing to "take her under his wing". He got out a Remington 1100 and some reloads, and they were off to North Lawrence Fish and Game. It did not take long for her to break her first 25 straight and "Smitty" was ecstatic! Noreen immediately joined a trapshooting league and that gave her the confidence to shoot registered targets. Like all trapshooters, she loved the competition and the great people you meet at the gun clubs. The highlight of her shooting was winning the women's handicap at the 1988 State Shoot in Vandalia.

While working at the Copley Trap Club, Drew Waller asked her to consider the position of secretary for the Ohio State Trapshooting Association. She attended the October Board of Directors meeting in 2005 and has been serving as their secretary for the past 19 years. Tad Johnson arrived at her home with a trailer full of "stuff" and she could not help but wonder what she had gotten herself into! After lots of reading, sorting, and organizing...she became the "hub of the wheel" in the organization. Directors and Officers come and go while she tries her best to keep everything running smoothly.

Noreen enjoys her relationships with the 30-some Ohio gun clubs as well as the many trapshooters and vendors that she has come to know as friends. She feels honored to have the trust and support of the Ohio Shooters and does her best to represent the Association.

2024 HALL OF FAME INDUCTEES

ANDREW DAVIDSON

Tipp City, Ohio

Singles 88,750 – Handicap 74,675 – Doubles 48,850

ANDY GREW UP with a trapshooting father and began shooting trap at age 12 in Indiana. His father Lee worked for Winchester from 1965 until his passing in 1980. In order to be near the ATA headquarters, the company requested the Davidson family relocate to Ohio in 1965 where Andy resides to this day. Andy's best early memories of trapshooting are watching his father and other outstanding trapshooters of that era shoot at Vandalia.

Besides his love for trapshooting, he also enjoyed playing high school basketball. As a young man not wanting to risk being ineligible for basketball, he backed off from shooting trap. In 1980, after completing his education, he began going back to gun clubs where his friends encouraged him to return to competition. He went on to enjoy the next 40 years of shooting and was able to mix the sport with his profession of optometry. He found that combination to be very rewarding and feels fortunate to have met people from all over the world and made many lifelong friends.

In 1979, he became a life member of the A.T.A. and eight years later, he was AA-27-AA. Besides enjoying the camaraderie and the competition, Andy was on the Ohio State trapshooting Board of Directors from 1991 to 1997 and served as President in 1995. He also served on the Ohio Hall of Fame committee from 1997 – 2001. Andrew Davidson will follow in his father's footsteps as he is inducted into the Ohio Hall of Fame as was his father in 1995.

ROGER McNAMER

Portsmouth, Ohio

Singles 119,550 – Handicap 124,900 – Doubles 73,450

Roger began shooting trap with his high school buddy and his father in their back yard. Like many small clubs, the local 1 trap gun club where they learned to perfect their skills...is no more. These days, Roger enjoys shooting at the Piketon County Coon Hunters Club at Yankee Hill. He managed the club with Danny Keaton from 1980 until 2000. Roger joined the A.T.A. in 1975 as a lifetime member. In 1976, he won his first trophy as Singles Champion at Peebles Trap Club in Ohio and that started his long journey in the sport.

In 1988, Roger married Cathy...a fellow schoolteacher, and he introduced her to the sport. While on their honeymoon driving through the mountains, the car headed south on I75. Cathy wondered where they were going and soon discovered Roger had packed their shotguns. They ended up spending their honeymoon at the Alabama State Shoot. Roger has wonderful memories of traveling to shoots with his wife. In 2013, Roger became an A.T.A. Alternate Delegate for Ohio, and he served as the Delegate from 2015 to 2018. He is currently an Alternate Delegate as well as the Southeast Zone Director. His favorite win was at the South Carolina State Shoot during the Memorial Singles for his dear friend, Frank Foster. Frank was a Delegate for South Carolina who passed away from Cancer. Roger won a belt buckle after breaking the winning score of 199.

Roger has made countless friends along the way from all over the world. His dedication, his funny stories, and the silly songs he is always singing...even when he is about to take the trap line...make him a great asset to the trapshooting family.
