Open Forum

- Current state of SCTP with Tom and Amanda Wondrash leaving
 - Tom and Amanda been with SCTP for over 20 years. They felt it was time to move on. Our contact with SCTP should stay the same. When it came to dialog between SCTP and your Team we talked to Chet Tuinstra or April Carr for most of our questions.
- SSSF announces Wayne Rasmussen as the new SCTP National Director.
- Will the SCTP Regional Targets registered this year? Teams are encouraged to contact SCTP to request the targets to be registered. However, SCTP may decide not to register the targets once again. Each team needs to evaluate what best for their team. If you decide to compete in the SCTP Regional shoot great if you decide to shoot elsewhere that is fine as well.
- Question asked if anyone knows of and Insurance Company that would insure ammo? SISA and other local insurance companies where contacted. Seems one would insure ammo because there is no identification number like an serial number stamped on ammo.
