President's Message...

Dear Shooters, Families, and Sponsors:

Welcome to the 140th Ohio State Shoot. I am honored to serve as your 2026 OSTA President. It is a privilege to work alongside the OSTA Board of Directors, the Cardinal Center, and our many sponsors who contribute in countless ways to make the Ohio State Shoot one of the best state shoots in the country.

I would like to extend a special thank you to our Secretary for maintaining records and meeting minutes, and to our Treasurer for managing the finances of both the OSTA and the Foundation. Their dedication is greatly appreciated.

I would also like to recognize Rob Kinsella for his hard work and commitment as Youth Director and Foundation Chairman. Our youth shooters are the future of our sport, and the coaches and clubs that support our SCTP youth shooters play a vital role in the continuation of trapshooting in Ohio and within the ATA.

Thank you to the Cardinal Center and its staff. This shoot would not be possible without their outstanding facilities, support, and the efforts of their hardworking team.

The OSTA Board has worked extremely hard to provide the finest shoot possible for the 2026 Ohio State Shoot. We recognize the rising costs each year for both shooters and the OSTA, and we sincerely appreciate our sponsors and their generous contributions to help offset these expenses. Please take the time to personally thank them for their support.

I look forward to seeing you at the shoot-offs at the end of our daily events. I will be serving as one of the referees, as my shooting skills prevent me from participating.

I wish each and every participant the best of luck. Keep your heads down, follow through, and terminate the flight of that little orange disk. Good luck and shoot well!

2026 HALL OF FAME INDUCTEES

John Evick

St. Clairsville

Singles 110,700 • Handicap 98,250 • Doubles 58,400

JOHN'S FATHER took him to his first Grand American when he was only a year old and he has been trapshooting ever since he was old enough to hold a shotgun! In college, he competed on the Ohio State Trapshooting team for four years, shooting trap, skeet, international trap and international skeet. While shooting for his college team, he made some lifelong friendships, like Dean Townsend, who would later be his best man at his wedding. John advises new shooters to check their eye dominance to get started on the right track, and to "sift through the advice and opinions until you find what works for you". While John has enjoyed shooting all over the USA, camping at the shoots in Vandalia with his wife and children, remains as one of his best trapshooting memories. John has experienced the unique camaraderie between trapshooters everywhere...

"Friendships developed along the way far surpass any trophy."

ROGER

91,400 Singles • 88,950 Handicap • 61,300 Doubles

BETTY

62,700 Singles • 53,300 Handicap • 41,300 Doubles

Roger started his trapshooting career in 1965 (61 yrs. ago) at Greene County Fish and Game. He won his first A.T.A. trophy in 1966 at Middletown Sportsman's Club with a score of 95, winning the Jr.

Handicap event. He was hooked for life. Since then, he has won many trophies while traveling around the country meeting wonderful people who do the same thing he loves...pulling the trigger!

Betty met Roger 55 years ago and they have been married for 53 years. A lot of their dates involved going to shoots and that is where she was introduced to the sport. She won her first trophy at Pike County Coon Hunters (Yankee Hill). She registered her first A.T.A. targets in 1977 (51 yrs. ago) and has won numerous trophies since. Betty was essential in the establishment of the Ohio Hall of Fame Museum and served as its Director for over 12 years.

Roger and Betty have both served as captains of the All-Ohio Team and won the Husband and Wife event at the Ohio State shoot numerous times. Both have also been All-American. They have won trophies at the Grand American, at various Satellite Grands, and State tournaments around the country. They continue to enjoy shooting and it is an important part of their lives.

2026 HALL OF FAME INDUCTEES

Robert Caplinger

Waverly

80,900 Singles • 86,200 Handicap • 59,600 Doubles

ROBERT (BOBBY) CAPLINGER grew up around a trapshooting dad. His father was a member of the A.T.A. and loved the local 50-bird Calcutta shoots in the 1960's and 1970's. In 1971, Bobby's uncle Gene Caplinger along with two others, were killed in a small plane crash while flying to the Silver Dollar Gun Club for a registered shoot. So, there is a lot of family trapshooting history (some good...and some bad) running through Bobby's veins. As a young boy, Bobby started his trapshooting career as a target setter and card shoot worker. Eventually, he would get to shoot some targets after the scheduled program was done for the day. He joined the A.T.A. in 1990 and started registering targets, which he still enjoys. He shot the Ohio State Shoot and the Grand American in the later Vandalia days until its departure in 2005. He also loves to shoot at the WSRC in Illinois since its conception in 2006. Bobby loves to travel to trap shoots with the support of his wife, Lisa. She is active in the O.S.T.A. as their Treasurer and she's also a field reporter for Trap & Field Magazine which makes him proud. Bobby's fondest memory was breaking his first 100 straight from the 27-yard line at the Cardinal Shooting Center in 2009 to help complete his Grand Slam, with Lisa by his side. He is a 5-time A.T.A. ALL AMERICAN and the 2018 Past President of the O.S.T.A. His advice to other shooters is to be honest and respectful, never give up when things go bad, and remember...there is a God up above.
